Sir,

Sub:- Establishment - Lady Goschen Hospital, Mangalore - woman sub assistant surgeon - sanction of -

Ref:- G.O. No. Ms. 3680 P.H. dated 25-8-41.

The post of Honorary Woman Assistant Medical Officer in the Lady Goschen Hospital, Mangalore, was advertised in January 1942 but there was no response to the advertisement from women doctors even though an honorarium of Rs. 30/- per mensem is offered. As it is very difficult to obtain the services of women doctors for Honorary work even on payment of honorarium, it is recommended that a post of a woman sub assistant surgeon may be sanctioned in view of the increase of

of work in the out-patient department and maternity side of the Hospital.

The extra cost to Government on account of the proposal will be Rs. 780/- per annum.

CTNo: 14596 D2. From the S.G. No. 12972-1803 31.3.4

The S.G recommends the employment of a woman Sub asst Surgeon in the Lady Goschen Hospital, Mangalore. The following statement shows the daily average number of in and out-patients treated in certain Dt Headquarters Hospitals and the Lady Goschen Hospital, Mangalore and the number of medical officers employed in those institutions :-

Name of the institution.	Number of beds.	Daily average number. (1940) In-patients.	Out-patients.	Total number of in-patients and out-patients.	Number of medical officers.	Daily average number of women in and out-patients.
Headquarters Hospitals—

Lady Goschen Hospital Mangalore	80.	112·04	246·20	358·24	2	358·24

It will be observed that there is a good case for an additional woman Sub asst Surgeon in the Lady Goschen Hospital Mangalore.

The extra cost to Govt on account of the proposal is Rs 1,287 a year. Deducting the honorarium sanctioned for the post of

honorary woman medical officer, Rs 360, the net ultimate cost is Rs 927 a year. A similar sanction was accorded in the case of the Headquarters Hospital Cuddalore in GO No 5704 P Hlth 4.12.40. A draft order is submitted for approval. It may be sent to Finance U.O. for acceptance.

A proper comparison would be not with Dt: HQ. Quarter Hospitals but with other Govt: Hospitals for women in the mufassal. The Women & children hospital, Vannarpet (Tinnevelly) with a bed strength of 43, In-patient & out-patient attendance of 53.35 & 125.42 respectively has two Women officers (1 C.A.S & 1 S.A.S). The Mangalore hospital which is about twice the size of the Vannarpet Hospital has also the same staff. The addition of another woman S.A.S. is therefore unreasonable. May be sanctioned up to 31.3.'44.

The draft order may be accepted. As the extra cost involved, viz Rs 927 pa., is within the limit of Rs 2,500 it is not necessary to treat the proposal as a Part II Scheme
